

2020-2021 Association Dues Recommendation

Dear IACRAO,

On behalf of the Board, we want to inform the membership that at the September 2019 meeting, the IACRAO Executive Board passed a motion to recommend an increase to the annual dues for 2020-2021 as indicated below.

Current	Proposed
Institutional (1 person) - \$125	Institutional (1 person) - \$145
Each additional person - \$15 / person	Each additional person - \$25 / person

The rationale for the recommendation are:

- Expenses for conference continue to increase
- Dues were last increased in 1997 and 2008, while costs of items continue to rise
- To ensure we have enough revenue to cover next year's budget

The decision to increase annual dues was not a decision the Board took lightly. We want to notify the membership of this recommendation ahead of our Annual Business Meeting on October 24, 2019. A more detailed budget will be presented at the meeting.

If there are any questions/concerns about this recommendation, please reach out to me or Emily Nicholson, Treasurer, at iacra@iacrao.org.

Sincerely,

Christopher Huang
President, IACRAO
