

2019-2020 Board Nominees

President-Elect - Marc Dale, Jr.

Director of Registration and Records/Registrar, Waubonsee Community College
IACRAO member since 2012, Northwest District Chair, 2015-2016

I have 12 years of experience in higher education, serving both in Financial Aid and Registrar's office. I'm currently the Director of Registration and Records/Registrar at Waubonsee Community College, where I've worked for nearly 7 years. And, I'm honored to have been nominated for this role!

As the President-Elect, I would first want to ensure I understand the needs (both current and future) of the membership, then work to provide a professional development experience to meet those needs. I would also like to ensure that the collective IACRAO voice is present in the many conversations at the state level, as we would need to provide our input to shape the rules, policies and legislation that impact our institutions and the students that we serve on our campuses.

Treasurer-Elect - Christopher Sayre

Associate Registrar, University of Illinois at Chicago
IACRAO member since 2013, Northeast District Chair, 2016-2017.

I have worked at the University of Illinois at Chicago for 9 years, all of which have been in the Registrar's Office. I have been a member of IACRAO since 2013, and served as the Northeast District Chair from 2016-2017. I also serve on AACRAO's Registration & Academic Support committee. I look forward to working with everyone again and taking on the role as Treasurer-Elect.

Secretary - Cassandra Spila

IT Business Analyst, Joliet Junior College
IACRAO Member since 2017, IACRAO Local Arrangements Committee 2018

I've been involved in higher education for almost twenty years and a member of IACRAO for the last two years. Throughout my career I've seen the opportunities that higher education provides and I've felt that it's time to get more involved and give back. I started last year by assisting the local arrangements committee. I appreciate all the opportunities that IACRAO provides such as scholarships, mentoring, and networking opportunities. And I've learned a lot from my peers by attending the annual and regional conferences. I look forward to the opportunity to learn more by serving as IACRAO secretary.
